Eve. To you we send up our sighs,
mourning and weeping in this vale of tears.
Turn, then, most gracious advocate, your
privilege of intercession toward us.

Pray for us that we may follow Risen Christ's message

Amen.

Merciful Holy Trinity, tell me what is causing my earthly miseries.

On earth you give free reign to Cruel Fate.

Perhaps we suffer mainly through our own evil wills, which produce disappointment, ill health, and antagonisms.

I long to escape this world through supernatural union with You.

He does not woo us with benefits or expect to affect our hearts.

However, through unsolicited Grace he gifts to us supernatural benefits.

HAIL HOLY QUEEN, O holy mother of Risen Christ; our life, our sweetness, and our hope. To you we cry, poor banished children of Eve. To you we send up our sighs, mourning and weeping in this vale of tears. Turn, then, most gracious advocate, your privilege of intercession toward us. O peaceful, O loving, O sweet Immaculata. Pray for us that we may follow Risen Christ's message and know God's law. Amen.

ROSARY VERSION 6

Risen Christ, through Your divine power the Crucifix has become mankind's most recognizable symbol. The Crucifix teaches us self-sacrifice and peaceful acceptance of death. Risen Christ, help me observe the virtues taught by Your Holy Crucifix. Amen.

Holy Trinity, Who art in Heaven, hallowed be Thy Name. Thy kingdom come, Thy will be done on earth as it is in Heaven. Give us this day our daily bread, and forgive us our trespasses, as we forgive those who trespass against us. Guide us away from temptation, and rescue us when we have succumbed to evil. Amen.

**Hail Immaculata, the Holy Spirit abides in You.
You are blessed among women.
The Fruit of Your Womb has become Risen Christ, who was
molded by you as inspired by the Holy Spirit.
Holy Immaculata, Queen of the Apostles, Mother of God,
intercede
for us sinners, now until the hour of our death. Amen.**

of eternal salvation; grant, we beseech You, that

mysteries of the most holy Rosary, we may hope to draw
closer to You**

Lord, to achieve Holiness, we would have to become totally subservient to You, the Godhead.

Few humans have the devotional character required to achieve total Holiness.

Lord, how has the impossible state of Sanctifying Grace gained validity in Your church, which is composed by ordinary humans?

Yet, with your help, Lord, we could change our lives to include more devotion to You, and thus move closer to holiness. Amen.

HAIL HOLY QUEEN, O holy mother of Risen Christ;

our life, our sweetness, and our hope. To

you we cry, poor banished children of

Eve. To you we send up our sighs,

mourning and weeping in this vale of tears.

Turn, then, most gracious advocate, your privilege of intercession toward us.

O peaceful, O loving, O sweet Immaculata.

Pray for us that we may follow Risen Christ's message and know God's law. Amen.

Risen Christ, through Your divine power the Crucifix has become mankind's

most recognizable symbol.

The Crucifix teaches us self-sacrifice and peaceful acceptance of death.

Risen Christ, help me observe the virtues taught by Your Holy Crucifix.

Amen.

Holy Trinity, Who art in Heaven, hallowed be Thy Name.

Thy kingdom come, Thy will be done on earth as it is in Heaven.

**Give us this day our daily bread, and forgive us our trespasses,
as we forgive those who trespass against us.
Guide us away from temptation, and rescue us when we have succumbed to evil. Amen.**

**Hail Immaculata, the Holy Spirit abides in You.
You are blessed among women.
The Fruit of Your Womb has become Risen Christ, who was molded by you as inspired by the Holy Spirit.
Holy Immaculata, Queen of the Apostles, Mother of God, intercede
for us sinners, now until the hour of our death. Amen.**

Grace motivates our will to use intellectual knowledge to resolve moral dilemmas.

Through the teachings of his church and by enhancing reason through Grace, God also makes us aware of the pitfalls to sin.

These truths we recognize through the merits of Risen Christ who,

who have momentarily fallen. Amen.

God-Creator, You resurrected Risen Christ from the dead so He could act as humankind's merciful savior.
To Risen Christ we look for sympathy for our human weakness.
In his special sympathy for mankind, Risen Christ dispenses temporary grace
Temporary grace helps us recognize our sinfulness and illuminates a path to absolution.
Praise be Risen Christ, the forgiver of sins.

God asks that we look to the Crucifixion as an exemplar of peaceful acceptance of death.
At the same time, he asks us to preserve our bodies in devotion to him.
Even though God leaves Cruel Fate to ravage humanity, He demands that we, ourselves, not kill.

We accept though we do not understand.

As faithful catholics, we daily praise God's goodness.
The goodness of God is made evident through the virtue of Charity.
Charity is a fundamental article of our religious faith.
His goodness provides us a means of salvation only.
Thus he may not hear or reply to supplications about our material and bodily needs and desires.
Ever-compassionate Risen Christ, respond to our prayers about our sufferings
by strengthening us to endure the pain.
Those in a state of grace may offer-up any supernatural merit for suffering.

**HAIL HOLY QUEEN, O holy mother of Risen Christ;
our life, our sweetness, and our hope. To
you we cry, poor banished children of
Eve. To you we send up our sighs,
mourning and weeping in this vale of tears.
Turn, then, most gracious advocate, your
privilege of intercession toward us.
O peaceful, O loving, O sweet Immaculata.
Pray for us that we may follow Risen Christ's message
and know God's law. Amen.**

ROSARY VERSION 9

**Risen Christ, through Your divine power the Crucifix has
become mankind's**

most recognizable symbol.

**The Crucifix teaches us self-sacrifice and peaceful
acceptance of death.**

**Risen Christ, help me observe the virtues taught by Your
Holy Crucifix.**

Amen.

**Holy Trinity, Who art in Heaven, hallowed be Thy Name.
Thy kingdom come, Thy will be done on earth as it is in
Heaven.**

**Give us this day our daily bread, and forgive us our
trespasses,**

as we forgive those who trespass against us.

**Guide us away from temptation, and rescue us when we
have succumbed to evil. Amen.**

**Hail Immaculata, the Holy Spirit abides in You.
You are blessed among women.
The Fruit of Your Womb has become Risen Christ, who was
molded by you as inspired by the Holy Spirit.
Holy Immaculata, Queen of the Apostles, Mother of God,
intercede
for us sinners, now until the hour of our death. Amen.**

of eternal salvation; grant, we beseech You, that
meditating on these
mysteries of the most holy Rosary, we may hope to draw
closer to You**

The forces of darkness are ever-active and try to intrude on our thought.

That is especially true during salutary acts such as prayer.

O Holy Immaculata, the great enemy of demons, intercede for us to exclude

Satan and his forces of darkness from our thoughts.

Allow us by a simple gesture to send you a prayer when we are under attack.

Lord, I sometimes want to punish others who have been cruel to
me.

When You say "Turn the other cheek", you state a divine mystery.

Punishment is a salutary act when it teaches a lesson to the perpetrator.

Yet innate morality tells us that unwarranted and excessive punishment is a sin against justice.

When is punishment unwarranted or excessive?

Holy Spirit, inspire me with Your gift of Knowledge so that I may know when punishment is sinful.

God in his goodness has given us the power to detach ourselves from the created world.

Through Faith, we can join God in the supernatural ether.
Prayer and other salutary acts are our path to God.
Lord, enhance in us the virtue of Faith, which through knowledge shines its bright light into our intellect.

The revealed religious truths are not philosophy.
They are unified truths with a supernatural origin.
Human reason plays no part in conjuring them.
God alone presents them to the mind.
Some truths are ineffable, so God demands we believe them on
faith alone.
Lord, in your supreme goodness, strengthen my faith so I see the
fallacy that
reason is sufficient to know or fulfill Your law.

fallacy that
reason is sufficient to know or fulfill Your law.
Amen.

The revealed religious truths are not philosophy.
They are unified truths with a supernatural origin.
Human reason plays no part in conjuring them.

God alone presents them to the mind.
Some truths are ineffable, so God demands we believe them on faith alone.

GLORY BE to the Holy Trinity. It is everlasting and independent of Time. Praise be the Trinity for its compassion toward humans who cry from a valley of tears. Through the virtue of Understanding, gifted to us by the Holy Spirit,
we learn to view created things from God's perspective.
For example while we may see the commandments sanctifying marriage as necessary to the order of human society,
For God it is the universal natural order without social meaning.
Lord, You are the embodiment of unified truth. Strengthen our grip upon the virtue of Understanding.

**HAIL HOLY QUEEN, O holy mother of Risen Christ;
our life, our sweetness, and our hope. To
you we cry, poor banished children of
Eve. To you we send up our sighs,
mourning and weeping in this vale of tears.
Turn, then, most gracious advocate, your
privilege of intercession toward us.
O peaceful, O loving, O sweet Immaculata.
Pray for us that we may follow Risen Christ's message
and know God's law. Amen.**

ROSARY VERSION 10

Risen Christ, through Your divine power the Crucifix has become mankind's

most recognizable symbol.

The Crucifix teaches us self-sacrifice and peaceful acceptance of death.

Risen Christ, help me observe the virtues taught by Your Holy Crucifix.

Amen.

Holy Trinity, Who art in Heaven, hallowed be Thy Name. Thy kingdom come, Thy will be done on earth as it is in Heaven.

Give us this day our daily bread, and forgive us our trespasses,

as we forgive those who trespass against us.

Guide us away from temptation, and rescue us when we have succumbed to evil. Amen.

Hail Immaculata, the Holy Spirit abides in You.

You are blessed among women.

The Fruit of Your Womb has become Risen Christ, who was molded by you as inspired by the Holy Spirit.

Holy Immaculata, Queen of the Apostles, Mother of God, intercede

for us sinners, now until the hour of our death. Amen.

O Holy Trinity, Who has used human suffering to purchase for us the hope

of eternal salvation; grant, we beseech You, that meditating on these

mysteries of the most holy Rosary, we may hope to draw closer to You

and to know Your law. To requite our willing obedience, may we hope

You end our enormous earthly sufferings, to the extent of Your power. Amen.

God does not give our intellect the task of comprehending His law. The source of true comprehension is supernatural, though some supernatural truths are permanently beyond human comprehension.

The Holy Spirit's gift of Understanding allows us to see created things from God's supernatural perspective.

Many men in our times are repelled by having to rely on supernatural gifts.

Do they not know that the realm to which religious men aspire, is in the supernatural ether.

God will turn away invisibly into that ether when a person balks at recognizing

the supernatural foundation of faith.

When God views the created world He sees a horrible abyss racked by sin.

He sees most human souls drowning in a love for created things.

Human souls lie in a pitiable state of fatuous spiritual disorder.

God invites us to see the true horror of the human condition by using the gift of Understanding

to see the real world from his perspective.

Compassionate Risen Christ, save me from despair as I look upon the Vale of Tears.

Divine Providence controls most aspects of human fate, for pleasant or ill.

Yet as regards Cruel Fate, God foregoes control.
Together with human Evil Wills, Cruel Fate is the source of much human suffering.
When God-Creator changed paradise into the world we know, He included Cruel Fate and allowed it free run of human lives.
O compassionate God is Cruel Fate a capitulation to the forces of darkness?
Why else do You neither diminish its power nor extinguish it?
I hope to enter Your ethereal paradise, where You are not bound to allow the free reign of suffering.

When we follow Christ's example of peaceful acceptance of suffering, God rewards us with Grace.

We must be in a state of grace to receive God's compassionate gift of Grace.

We use our existing Actual Grace to convert our suffering into a gift to God.

Compassionate Risen Christ, I beg You for the strength to endure suffering that I may peacefully offer it up to the Holy Trinity.

The Will is the faculty by which we decide how to act, whether for good or evil.

The Will is free to choose, but when inspired by Grace it will always choose good.

The Will acts by the inspiration of Grace, by human Intellect, and by virtues provided by the Holy Spirit, such as Knowledge.

In moments of weakness, the Will succumbs to temptation by the forces of darkness and so chooses concupiscent vices.

Holy Spirit abide in my soul to advise me on good or evil.

Risen Christ infuse in me Grace that will motivate my Will to salutary acts.

The Will is the faculty by which we decide how to act, whether for good or evil.

The Will is free to choose, but when inspired by Grace it will always choose good.

The Will acts by the inspiration of Grace, by human Intellect, and by virtues provided by the Holy Spirit, such as Knowledge.

In moments of weakness, the Will succumbs to temptation by the forces of darkness and so chooses concupiscent vices.

Holy Spirit abide in my soul to advise me on good or evil.

Risen Christ infuse in me Grace that will motivate my Will to salutary acts.

Amen.

**HAIL HOLY QUEEN, O holy mother of Risen Christ;
our life, our sweetness, and our hope. To
you we cry, poor banished children of
Eve. To you we send up our sighs,
mourning and weeping in this vale of tears.
Turn, then, most gracious advocate, your
privilege of intercession toward us.
O peaceful, O loving, O sweet Immaculata.
Pray for us that we may follow Risen Christ's message
and know God's law. Amen.**
